

Welcome to the 10th World Congress of Veterinary Dermatology

July 2024 | Boston, Massachusetts

The Executive Organizing Committee cordially invites you to join us in beautiful Boston, Massachusetts for the 10th World Congress of Veterinary Dermatology (WCVD10) to be held in July 2024. The World Congress has not been in the USA since WCVD4 in 2000 and it seems fitting to have such a historic city as the venue for WCVD10.

Boston is easy to get to and a world-class destination with endless possibilities to explore and truly has something for everyone.

We look forward to you joining us!

Boston Public Garden

Why should you attend?

The World Congress of Veterinary Dermatology provides an unparalleled opportunity to meet with leading international experts for four days of networking and learning about the latest innovations in science and practical applications for veterinary dermatology. Join us at WCVD10 in Boston, Massachusetts in July 2024. The Congress promises to be an exciting and rewarding opportunity to come together.

Getting to Boston

Logan International Airport (BOS) is the primary airport serving New England, and one of the nation's busiest ones. It has recently completed a \$4-billion major expansion and modernization. With nonstop international service from 56 destinations and nonstop domestic service from 77 destinations, getting to Boston has never been easier. Logan Airport is located a convenient two miles from the city center, with several public airport transportation options from downtown and suburban locations.

Another way to arrive in Boston is by train: *Amtrak* trains depart from stations centrally located in cities along the eastern corridor, like New York, Philadelphia, Providence Station, or Washington, DC, and arrive at one of four stations in the Boston metro area. Train rides throughout the Northeast offer spectacular views, such as the scenic landscape of the Connecticut coastline or the beautiful Berkshire Mountains of western Massachusetts. Trains are equipped with free WiFi and at-seat outlets for your mobile devices.
