WORLD CONGRESS OF VETERINARY DERMATOLOGY

Welcome to the 11th World Congress of Veterinary Dermatology

The Executive Organizing Committee cordially invites you to the vibrant and sunny capital and largest city of Andalusia in September 2028. Nestled on the banks of the Guadalquivir River in the southwest of the Iberian Peninsula, Seville is an affordable and incredibly beautiful destination. Often described as quintessential Spain, Seville is the birthplace of flamenco, a passionate and expressive dance that pulses through the city's soul. While you are here, indulge in delicious tapas, and join us for an unforgettable social programme giving you the perfect opportunity to immerse yourself in the spirit of Andalusia. Mark your calendars and prepare to be inspired by a delightful mix of history, culture, and charm - Seville awaits!

Explore historic landmarks

- **The Alcázar Palace**
- **Seville Cathedral/Giralda tower**
